

As part of the GUST International Quality Review (IQR) for International Accreditation by the Quality Assurance Agency for Higher Education, the IQR team identified 4 examples of good practice. Additionally, the team made 7 recommendations aimed at improvement and enhancement. Committed to excellence and as part of the IQR process, GUST has developed this action plan to preserve the 4 good practices and address the 7 recommendations for continued enhancement.

(Acronyms: GSR: Graduate Studies & Research)

ESG Standard 1.3: *Student-centred learning, teaching and assessment*

Good Practice	Action	Responsible Department	Status	Success Indicator
<p>1. The wide opportunities for students to engage in the co-creation of research, as well as work-based projects, the solution of “real world” problems in industry and business, and international collaborative activity.</p>	<p>Expand research opportunities by creating more industry partnerships and projects</p>	<p>GSR</p>	<p>Ongoing</p>	<p>Announce the number of partnerships/research events/exchange programs created</p>
	<p>Organize student-industry collaborative workshops and research fairs</p>	<p>Career Service</p>	<p>Ongoing</p>	
	<p>Develop international exchange programs focusing on collaborative research</p>	<p>International Programs Office</p>	<p>Ongoing</p>	

(Acronyms: OSC: One-Stop Student Center, PR: Public Relations, OSL: Office of Student Life)

ESG Standard 1.6: *Learning resources and student support*

Good Practice	Action	Responsible Department	Status	Success Indicator
