I. Policy

Gulf University for Science & Technology (GUST) offers basic health services, such as checkups, medicine, dressing of wounds, and injections, free of charge in walk in basis through the Health Clinic located in N6 Building. Such services are provided by the General Practitioner (GP) and/or assigned Nurse.

If the patient's care needs to be exceed the capacity of GUST Health Clinic services, further care by other health providers must advice. Health Clinic shall call for Ministry of Public Health emergency paramedic services for support and transportation if needed.

In case of campus fainting or accident calls, the GP and/or assigned Nurse shall come to accident scene as needed. If possible, with the help of university security, the patient shall be transported to the Health Clinic by a wheel chair to receive appropriate medical care.

The Clinic is located in the ground floor to allow easy access for the students, staff and visitors with mobility limitations, and / or other special needs.

II. Application

This policy shall apply to all students, employees, contractors, and visitors of GUST.

III. Related Policies

- All GUST Policies and Procedures
